Paulding County Sheriff's Office Adopts SafetyPup®

(Paulding County, GA) The Paulding County Sheriff's Office has added a new member to its ranks, SafetyPup®. In an effort to keep us safe, the lovable puppy mascot will be helping the Sheriff's Office teach children the importance of safety. Throughout the year the Sheriff's Office will be promoting crime prevention with talks and presentations by SafetyPup®. Children of Paulding County will begin to meet SafetyPup® at their schools, local events, and during tours of the Sheriff's Office.

Wearing a helmet when riding a bike, saying NO to drugs and alcohol, and being aware of strangers are just a few of the prevention topics that the Sheriff's Office wants children and their parents to know more about. We hope SafetyPup® will help us get the kids attention so they learn more of these valuable lessons. Sheriff Gary Gulledge stated, "SafetyPup® will be an invaluable resource to help us educate our children about the dangers that they face on a daily basis. We are proud to have SafetyPup® as a Deputy at the Sheriff's Office. "

If you would like more information on how to have SafetyPup® attend your event, please call Carrie Wisener at (770) 443-3015 or email her at cwisener@paulding.gov.
