Sheriff's Office Designates "MeetUp Spot" Location for Online Transactions

(Paulding County, GA) Throughout the country, millions of local item exchanges happen every day in our communities. That is why the Paulding County Sheriff's Office has partnered up with online retailer OfferUp. OfferUp understands that successful buying and selling experiences rely on trust, so they have created a "MeetUp Spots" program to help ensure both buyers and sellers can come to in-person transactions with more peace of mind.

MeetUp Spots are designated areas for buyers and sellers from online and mobile marketplaces to meet in-person to complete a transaction. This program is free to Law Enforcement agencies and combines the company's efforts around safety education and awareness.

OfferUp works with an extensive network of more than 700 law enforcement agencies throughout the United States to minimize crime and promote safer practices for offline transactions.

If you are buying or selling something from an online yard sale, CraigsList, or any other type of buying/selling site, you can always come to the MeetUp Spot located in the parking lot of the Paulding County Sheriff's Office. Our address is as follows:

Paulding County Sheriff's Office
247 Industrial Way North
Dallas, GA 30132

If you would like to find out where other MeetUp Spots are located, please go to www.OfferUp.com or search for them in their mobile app.
