Homemade White Hot Chocolate

- 4 cups milk
- 1 cup good quality white chocolate chips or chopped white chocolate, I use Guittard or Ghirardelli
- 1 teaspoon pure vanilla extract
- pinch salt, optional
- Optional garnishes: white chocolate chips, white chocolate shavings, marshmallows, whipped cream, candy canes

Place the milk, white chocolate, vanilla and a pinch of salt (if using) in a medium saucepan. Whisk continuously over medium-low heat, until the chocolate has melted and the mixture is smooth (do not boil). Serve immediately.
